Honorable Robert Amory, Deputy Director

Dear Bob:

I attach a memorandum from Roger Damon, Senior Vice President of The First National Bank of Boston (of which I am a senior officer as well as Chairman of the Old Colony) making an inquiry in behalf of the New England Bank Management Conference as to whether you would be available to speak to them on Friday, October 5th, next.

This is a very good group of responsible and intelligent men to speak to. I spoke to them last year on "The Role of the National Security Council" and it was received with interest and was worth doing.

If you are able within security limits to speak about the Russian situation (perhaps along the vein in which you spoke to a smaller group [REDACTED] I think you would find an excellent audience.

I would deliver this message in person but I shall not be in Washington again until June 26th.

Sincerely yours
